R.C. E./ 31/30/48 D 22/6/48.

Sir,

Sub: Conservancy - removal of rubbish and night soil by contract system - dispensing with tender system - sanction sought for.

I beg to report that for purposes of conservancy work, the town is divided into two parts Viz., Cowl Bazaar and Brucepet. The tenders for the supply of bulls and buffaloes for the removal of rubbish and night soil of this municipality for the year 1948-49 from the above two areas were invited on 12-3-48.

Three tenders were received. They were tabulated and placed before the council at its meeting held on 30-3-48 with a note from the Commissioner recommending the lowest for acceptance. The lowest rate for pair of bulls and buffaloes was (6) Rs.55/- per mense and that for a single bull or buffaloe was Rs.27/- per mensem. The Council in its resolution No.732 dated 30-3-48 (Copy enclosed) resolved to call for fresh tenders. It also resolved to carry on the work departmentally till a contractor is finally settled. In pursuance of the above resolution of the Council fresh tenders were called for on 6-4-48. Three tenders were received for Brucepet area and 5 tenders were received for Cowl Bazaar area. They were placed before the Council at its meeting held on 21-4-48 with a tabulated statement, recommending the acceptance of the lowest. So far as the Cowl Bazaar area was concerned there was no difficulty in accepting the lowest tender. With regard to Brucepe area, the tender of Janab. Abdul Rahiman which was the lowest, his rate being Rs.34-12-0 per pair and Rs.17-14-0 per single Bull for reference was accepted by the Couhcil in its resolution No.808 dated 21-4-48. But when acceptance orders were issued, the contractor came forward with the plea that he tendered his rates for the supply of bulls and buffaloes for Cowl Bazaar area only, and that his omission to strike off the word Brucepet

in his tender is due to a slip on the part of his writer. Obviously he was not very serious about his tender. He has also issued a lawyer's notice in this behalf for the return of the deposit, if the council is not prepared to accept his tender for Cowl Bazaar Area only. The matter had to be again taken to the council which in its resolution No.831(E) dated 29-5-48 resolved to drop further action against the contractor. As there was hardly any use in depending on this contractor for the supply of bulls in Brucepet area, and as the conservancy work greatly suffered in this area for want of a proper contractor to supply the bulls; as will be self evident from the note dated 14-5-48 of the Municipal Health Officer, a copy of which is herewith submitted the matter was reported to the Council which in its resolution No.900 dated 29-5-48 (Copy enclosed) sanctioned subject to the approval of Goverment the dispensation of tenders in this case and accepted the offer of Sri.D.Pullanna for the supply of bulls and buffaloes at Rs.40/- per pair and at Rs.25-8-0 per single per mensem.

The rate offered by Sri.D.Pullanna is very reasonable and therefore acceptable having regard to the fact that it is far below the current schedule of rates as will be self evident from the Municipal Engineer's note dated 22-4-48, a copy of which is enclosed herewith.

I, therefore request that the Government may be pleased to approve the above proposal of the Council as a special case and communicate their orders early.

COMMISSIONER.

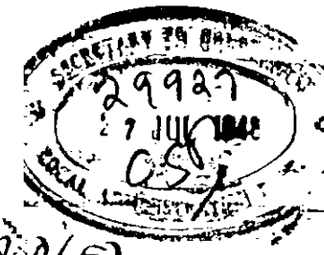
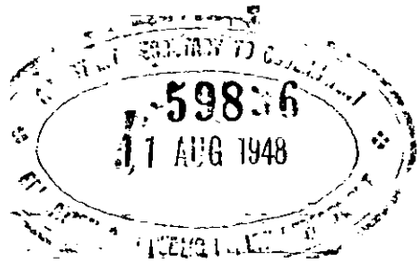
The Secretary to Government,
Local Administration Department,
Madras.



LAD(E)



TRUE COPY OF MUNICIPAL ENGINEER NOTE DATED 22-4-48.

The sanctioned rate for a pair of bulls with driver per day is Rs.5/- and is within the sanctioned rate. The difference between the rate for bulls and buffaloes is Rs.1/- per day.

(Sd.) K.Subba Rao, 22-4-48
Municipal Engineer.

True copy of office note dated 14-5-48 of the Municipal Health Officer

There is severe combination and unhealthy competition among the contractors. The contractors of Brucepet ~~would not~~ won't work for Cowl Bazaar area and Cowl Bazaar contractors won't work for Bnucepet Area. It is impossible for any man to supply bulls at Rs.34/- per pair per mensem due to high prices of fodder and grain. If tenders are again called for, the same unhealthy competition will creep in resulting in the deal-lock of the conservancy work. Hence the calling of fresh tenders may kindly be dispensed with. Mr. Abdul Rahiman, the lowest tenderer for Brucepet who now comes with the plea that he has committed a mistake in not striking the word Brucepet in the tender has deliberately done so only to paralyse the routine work. So the tender system may be dispensed with in this case. I may be permitted to add that the work of removal of rubbish and night soil is causing great strain and anxiety to me. Unless early and proper arrangements are made the town may have to suffer from an epidemic. This is the most busy season for merchants and everywhere lot of rubbish and dust are thrown. I select Sri.D.Pulla nna for supplying bulls to the conservancy plant. The draft agreem submitted by the party is herewith put up for approval.

(Sd.) C.Ramachandra Rao,
Municipal Health Officer

Order MS. no. 3280 P.H. dt. 25/9/48

In the circumstances stated, the Govt have no objection to the proposal of the Bellary Ml. cl. to accept the offer of Sri D. Pullanna for the supply of bulls and buffaloes at Rs 4-0-0 (Rs forty only) per bull per pair and at Rs 2-8-0 per single per mensem for 1948-49 without inviting tenders for the Bruncpet area of the munty.

59836/48. Sub:- Public Health - Bellary Mlty - Removal of rubbish and nightsoil by contract system - dispensing with tenders.

From the Comr. Bellary Mlty no. R.C.E. 3130/48 dt 22/10/48
" Secy to G. of L.F. Accts no. 32271 d. 26.7.48.

The Comr., Bellary Mlty, in his letter on pp 1-2 of states that the town is divided into two parts viz. Gowl Bazar and Brucepet - for purposes of conservancy work. Tenders for the supply of bulls and buffaloes for the removal of rubbish and nightsoil for the year 1948-49, were stated to have been invited on 12-3-48. Since the rates quoted by the tenderers were high, tenders were again called for. The lowest rate quoted was accepted for the Gowl Bazar area.

2. With regard to the Brucepet area, the lowest rate quoted was Rs 34-12-0 per pair and Rs 17-14-0 per single bull by one Janab Abdul Rahim and it was accepted. But he did not abide by the contract and stated that he originally intended to accept tender only by mistake for Gowl Bazar area and omitted to strike in the tender form the Brucepet area, to which ~~he objects for the part of his letter~~. The tenderer has now applied for the return of the tender deposit ~~through~~ receiving a lawyer's notice. The Comr. reports that there is no use of depending on this contractor for the supply of bulls for the Brucepet area. The council has therefore resolved to accept the offer of one Sri. D. Pullanna for the supply of bulls and buffaloes at Rs 40/- per pair and Rs 25-8-0 per single

per mensem. The rate is stated to be reasonable

3. The Estimating remarks are as
3 cf. He says he has no objection to approve
the proposal by the Council to accept the offer of
Mr D. Pullaiah. This dept also may also approve
the rates and condone the irregularity in dispen-
sing with tenders. A draft order is submitted
for approval. L.A. may see before issue.
